Colton Joint Unified School District
Community Service Log Sheet

This form does not need to be turned in with the rest of the application, although it will need to be tuned in at the end of each semester to verify hours are being completed, recorded and verified. It is intended to help keep track of hours completed. An example is included. All hours must be completed during the time of enrollment in one of the Colton Joint Unified School District High Schools.

Name _____ Student ID # _____ School year _____

Date	Organization	Supervisor's Name	Contact Number	Number of hours	Hours related to : School	non-School
