

GRR Tickets

Students who display excellent behaviors can be acknowledged through GRR Tickets. These notes may be given by an adult for positive behavior. Once received, the student places their GRR Ticket into a box in their classroom for a weekly drawing. The student whose name is drawn by his or her teacher can choose from a variety of incentives. Some things to choose from include a homework pass, pick your own seat in class, choose something from the treasure box, and many more!

Welcome to Alice Birney Elementary School!

We are proud to announce the implementation of Positive Behavioral Interventions and Supports System (PBIS). PBIS is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. This school-wide approach to discipline focuses on building a safe, positive environment, and bully-free environment in which all students can learn.

Mission Statement

Alice Birney Elementary School
is a community of
Goal-driven,
Respectful, and
Responsible Citizens
modeling, encouraging, and reinforcing
a safe and positive environment for
everyone, everywhere, everyday.

Throughout the school year, students will be taught how to behave according to the three behavior expectations.

Teachers will guide students to learn what the expectations “look” and “sound” like in every school setting. These lessons will be re-taught and reinforced throughout the school year, and become a regular part of our instructional program.

High Paws

- Students who receive these will have their name written on a colorful Paw Cutout and will be posted on the hallway walls.
