BOARD AGENDA

**SPECIAL MEETING
December 15, 2011**

CONSENT ITEM

TO: Board of Education

PRESENTED BY: Mike Snellings, Assistant Superintendent, Educational Services Division

SUBJECT: Approval of Update to the Houghton Mifflin English/Language Arts Program - Medallion ed. (including (Write Source 2012/Special Promotion Offer) (2011-2012)

GOAL: Student Performance

STRATEGIC PLAN: Strategy #2 – Curriculum

BACKGROUND: The elementary school sites are currently working with an outdated curriculum. Houghton Mifflin Medallions Edition is a supplemental program to update the current Houghton Mifflin Reading Language Arts program and provides several benefits which include: updated teacher’s edition, enhanced vocabulary development, writing, fluency, differentiated instruction, Response to Intervention² (RtI²) resources, new diagnostic and formative assessments, expository text for teaching social studies and science standards, novels for grades 3-6 and decodable readers in kindergarten.

The purchase of Medallions will also provide a Common Core supplement that will assist the teachers in bridging the gap between current adopted materials and the new Common Core State Standards.

This purchase will enable the elementary teachers to have updated resources that will support the current program. A complete new adoption aligned to the Common Core State Standards will not occur until the 2016-17 school year. Medallions will enable us to receive free practice books until the next full adoption which is currently costing the district \$275,000 per year. Because this is a supplement to our current core program, categorical funding can be utilized.

BUDGET IMPLICATIONS: To be purchased from Title I funds for Title I sites and EIA/SCE funds for non-Title I sites with a three year deferred payment plan as follows:

Payment 1 (30 days after Invoice)	Year 1	\$ 632,676.46
Payment 2 July 1 st 2012	Year 2	\$ 316,338.23
Payment 3 July 1 st 2013	Year 3	\$ <u>316,338.23</u>
		\$1,265,352.92

RECOMMENDATION: That the Board approve the update to the Houghton Mifflin English/Language Arts Program - Medallion ed. (including (Write Source 2012/Special Promotion Offer) (2011-2012).

SUBJECT: **Approval of Authorization to Assign Secondary Teachers to Teach Subject(s) Not Listed on Teaching Credentials Under Board Resolution During the 2011-12 School Year**

GOAL: Personnel Development

STRATEGIC PLAN: Strategy #1 – Communication

BACKGROUND: Each year, principals of middle and high schools must plan class schedules utilizing teachers whose respective credentials may not cover every class needed to accommodate the school curriculum during the school year.

Standard Secondary credentials are limited to the teaching of the subject(s) listed as the Major or Minor. Single Subject credentials are limited to the subject names as the Single Subject, or the supplementary authorization in grades 9 and below. The only secondary credentials not limited to certain subject are the Pre-Fisher General Secondary. Multiple Subject credentials with a supplementary authorization allow departmentalized teaching in grades 9 and below in the area of the supplementary authorization.

In order to plan a good instructional program, it is necessary to take advantage of Education Code Section 44256(b) provided for these assignment situations.

Authorization for Service

EC 44256(b) allows the holder of a Multiple Subject or Standard Elementary Teaching Credential to teach any subject in departmentalized classes below grade 9 if the teacher has twelve semester units or six upper division or graduate semester units of course work in the subject to be taught.

BUDGET IMPLICATIONS: No impact to the General Fund

RECOMMENDATION: That the Board approve the authorization to assign teachers to teach under Board Resolution, utilizing the provisions under Education Code Section 44256(b) during the 2011-12 school year, as presented.

ACTION: On motion of Board Member _____ and _____, the Board approved the authorization to assign teachers to teach under Board Resolution, utilizing the provisions under Education Code Section 44256(b) during the 2011-12 school year, as presented
