- x It is the policy of Colton High School not to disperse any scholarship funds until the student has enrolled at the college or school of his/her choice unless you specify differently. When the business office of the college indicates the student is enrolled, we write a check for the total amount of the scholarship in the name of student. However if the donor so requests, a check is mailed directly to the educational institution to be deposited in the student's account.

Do you prefer we make payment **directly** to the student's educational institution?

- Yes       No

- If the student does not enroll at any school before September 1, 2019 the money will be kept in the Colton High School Scholarship Fund and awarded during next school year by the scholarship committee, unless you indicate otherwise.
- **PLEASE MAKE SURE YOUR CHECK REACHES US BY Monday May 3, 2019** or make special arrangements. (Please make payable to the "Colton High Scholarship Fund" and return it to:
