Greetings Reche Canyon Families and Friends,

We are excited to begin the 2024-2025 school year and look forward to a successful new year! Our staff has been working hard to prepare a safe and enjoyable learning environment for our Coyotes. Our instruction will be rigorous and aligned with the state standards. We will provide support for those students who need extra help during the day in small groups and monitor all students' progress. We will continue strive for academic achievement for our students and focus on literacy skills and math concepts.

Daily attendance is a priority for our students. Each day of instruction is essential to their academic success. Our goal is to have 95% or higher attendance each month and to decrease our Chronic Absenteeism. We can only do this with your help. Students who are chronically absent or miss a lot of school fall behind, have gaps in their learning, struggle with reading proficiency, and have higher dropout rates.

Finally, Parent Engagement and parent voice is an important part of your child's education and success. Please join us throughout the year and participate in these opportunities. We need you to be a member of our Coyote Pack Parent Partner! Have a wonderful new year!

Jennifer Pedroza
Principal
