Students who do not meet this criteria, may not participate in any way until the next grading period is concluded, at which time eligibility will be reassessed.
3. Students who have discipline and/or attendance problems will not be able to participate on a team or in any activity organization or attend an activity. This will be an administrative decision and can vary from temporary suspensions from the activity to removal from the team, or organization.

ACTIVITY CHECKLIST

In order to operate more efficiently in the area of extra-curricular activities, it is important to follow this checklist:

1. Present activity proposal to Misty Wright, Activities Director, who will present the proposal to ASB Council and the Administration.
2. The Activities Director will schedule events when approved.
3. Let Activities Director know facilities or equipment needed at the time of submission for approval.
4. Let the Activities Director know at least one week in advance if a custodian will be needed.
5. If tickets are to be sold in advance, set this up with the Business Office. If tickets are to sell at the door, let the Business Secretary know at least two days in advance of a need for a cash box.
6. Give the Activities Director a list of chaperones or people for supervision at least one week in advance of the activity. If you are having difficulty with this let the Activities Director know as soon as possible.

ACTIVITY LISTS

Teachers sponsoring an activity will provide a list of student participants two days before the activity. This list should be in all of the teachers’ and attendance office mailboxes two days before the activity. The list should be in alphabetical order and with the student’s grade level. Names of students that were on the activity list, but did not attend the activity, should be given to the attendance office before 1st period on the day after the activity.

ASSEMBLIES

Assemblies are for the enrichment and entertainment of the students at this school. Assembly plans are made by the assembly committee, which is made up of students and faculty. Teachers will be assigned a particular seat and section for their class. Each teacher should take attendance and the students not sitting in the proper section should be marked absent.

A master calendar of school events and use of school facilities is kept in the Activities Office and Assistant Principal's Office. Any teacher or group wanting to put an event on the calendar or reserve the use of a facility must check the master calendar before plans are made. After the date is cleared, the Activities Director or Assistant Principal will place the event on the calendar.

Facility requests are approved at the Leadership meetings which are held every Monday morning.

ELIGIBILITY LIST

Each head coach at each sport level must turn a list of his or her team members in to the Director of Athletics so that eligibility may be checked as soon as possible. An eligibility form may be obtained from the Director of Athletics.

EXTRA DUTY

Extra-curricular activities cannot take place unless there is faculty involvement. In order to continue our extra-curricular programs at BHS, faculty supervision is needed at all school events. It is suggested that each faculty member volunteer for as many supervisions as you desire. All supervisions are appreciated by the administration and people involved in the activity.

FACILITY USE

School facility use is encouraged but all use of school facilities must be cleared through the Assistant Principal's Office and placed on the Master Calendar. Do not plan on using a facility until you check the activities calendar in the Assistant Principal's Office.

FUND RAISING ACTIVITIES -PLEASE SEE THE CJUSD ASB BUDGET HANDBOOK AND ASB GUIDELINES!!

PHYSICAL EXAMINATIONS

Before a student may practice or be given athletic equipment, he or she must have had a physical examination within the past year. This physical examination must be verified on a physical exam card (appendix 2) by the doctor giving the examination and be on file in the Business Office. We will attempt to have low cost physicals for athletes arranged on campus each August before school begins. Coaches should check on the date and notify students trying out for their teams.

SCHEDULING

The Director of Athletics makes the athletic schedule. A coach may give the Athletic Director suggestions for future scheduling and, when possible, the suggestion will be followed. A coach may not schedule or cancel athletic contests; only the Athletic Director will do this with permission of the Principal.

SCHOOL BANKING

All student organizations must deposit all of its money with the Business Office.

SPIRIT PACKS

All spirit packs and their cost is to be approved by the Athletic Director before students are to be given information.

Attendance and Discipline

Attendance and Absences

The state of California law requires regular attendance and punctuality with both the school and the parents having responsibility for enforcing these laws. It has been well demonstrated and documented that regular attendance is a key factor in the success a student achieves at school. The state law also requires that the school keep an accurate record of each student's attendance. A student should not be absent from school without the parents' knowledge of consent. Verification of the absent can be verbal or written as specified in the Education Code. The CJUSD Board of education shall establish and appoint members to a School Attendance REview Board as authorized by the Education Code.

Bloomington High School provides maximum opportunities for student growth in academic achievement, responsible citizenry and career technical preparation. In order for students to take advantage of these educational opportunities, regular and consistent school attendance is required along with a consistent work ethic in all classes. Students who exhibit inconsistent attendance are candidates for a Student Attendance Review Team (SART) contract.

TYPES OF ABSENCES

There are many types of absences recognized by the CJUSD, in accordance with CA Education Code 48200.

- Qualified absences: Due to illness, doctor/dentist appt.'s, family funeral or court appearance of the student. The State of California allows one (1) day excused for an in-state funeral and three (3) days for out-of-state funerals.
- Unqualified absences: Excused by parents for reasons other than the above, including family emergencies.
- Truancies: Absences not authorized by parent/guardian, not notified within 72 hours and not authorized by school personnel.
- Suspensions: Absences mandated by school officials for disciplinary reasons.

In addition, some absence codes note that a student was not in class, but was in the office or on a school activity.

Attendance Procedures

When a student is absent, the parent/guardian MUST call or send a note to the attendance office WITHIN 72 HOURS to inform the school of the absence. The note must consist of the student's name, grade and reason for absence, (THIS IS REQUIRED BY CALIFORNIA STATE LAW). Parents have 72 hours to provide a reason for absence, after which the absence is considered a truancy/unverified absence for each period missed. BY STATE LAW, any student who misses three (3) days or more due to truancy, is declared a habitual truant and will be reported to the appropriate juvenile/law enforcement agency.

Tardy/Truancy Policies

Tardy and truancy policies encourage regular and consistent class attendance. A student is considered tardy if he/she is not in the classroom when the bell rings. A student is considered truant if the student is not in class

during instructional time without permission. A student must have a BHS approved pass completely filled out given by the appropriate staff member or the student is considered truant and may be cited with a Clean Sweep Ticket in addition to school consequences listed below. Tardy and Truancy Sweeps, (on and off campus), will be conducted throughout the school year.

Tardy Sweeps

Consequences will include but not be limited to the following:

1. 1st incident: Record incident in student profile
2. 2nd/3rd incident: Parent contact and Detention Center
3. 4th/5th incident: Student meets with administrator, parent conference, Detention Center,
4. 6th/Subsequent incident: Clean Sweep citation, Saturday school assignment, SART contract

Classroom Attendance

Classroom teachers may refer students who have multiple tardies to the office for consequences based on the following criteria:

- A. 1st/2nd Tardy: Teacher warns student, review PBIS criteria
- B. 3rd Tardy: Teacher may assign detention, Teacher will make parent contact
- C. 4th Tardy: Teacher refers student to counseling, review PBIS program, make parent contact.
- D. 5th Tardy: Refer student to Assistant Principal to contact parent/guardian.
- E. 6th Tardy: Student is subject to a SART contract

Additional Attendance Information

The following actions may also be taken to control excessive absences, tardies and/or truancies: ● Doctor's notes required for prolonged absences

- Revocation of student parking permit
- In-House Suspension
- Suspension from school (when linked with defiance)
- SART Contract meeting with parent/guardian
- SARB Hearing with parent/guardian, District Attendance Members, District Attorney, Local Law Enforcement Representatives, Probation Officers, (possible citation for parent)

By state law, any student who misses 3 days or more due to truancy is declared a habitual truant and will be reported to the appropriate juvenile law enforcement agency.

CONFERENCES

Conferences are a very important part of a teacher's professional growth. I want to encourage teachers to attend conferences, which will be beneficial to their teaching areas. Below are the criteria, which I will use to make a decision on conference requests:

- 1) Conferences must be in your subject area.
- 2) Conferences must be relevant to the BHS curriculum.
- 3) Conferences must be in the State of California.
- 4) Conference funds will be allocated on a request basis as long as they are available.
- 5) **ALL CONFERENCES MUST BE BOARD APPROVED.** See Board Agenda due dates for paperwork deadlines. It is recommended that paperwork be turned in at least 1 week prior to Board Agenda due date.

In addition, principals need to screen conference requests considering:

1. Potential Benefit to Student Achievement
2. Which SLO are being addressed
 - a. How beneficial will the information be to the teacher attending? To the rest of the staff?
 - b. Does the conference address the needs of your particular student population, e.g. ELD, Special Education, AVID? Does the conference deal with restructuring, technology, integrated curriculum. etc.
 - c. Teachers will be expected to report to the faculty at a future staff meeting, or inservice.
3. Cost Effectiveness
 - a. Could the participant receive comparable training at a closer location or lower cost?
 - b. Will the participant hear a well-known presenter?
 - c. Is it possible and practical to carpool? Share housing?
4. Are there excess costs involved, e.g. hotel, high registration, travel?
 - a. Limit the number of participants attending the same conference. Could the attending participant share obtained information and materials upon returning?

Any exceptions to the conference guidelines require special permission from the Superintendent!

FIELD TRIPS/ACTIVITIES OUTSIDE CLASS - Field trips are anything that takes students away from school for an activity. Field trips are to be considered an extension of the classroom. The purpose of such opportunities should be to expand the experiences of students. Field trips should offer the students the opportunities to relate classroom learning with realistic and practical observations.

Many options exist within our geographical area. Trips beyond a 90 mile radius should be taken only when necessary to offer a specific experience not available elsewhere.

By Board policy, trips planned for recreational purposes only are not permitted.

Motivational trips can be authorized in limited quantities and even then only when the criteria for participation are clearly outlined at least two months in advance. The following guidelines should be followed when planning an activity away from campus:

- 1) Check the Master Calendar to be sure this activity does not interfere with any other event at the school. Be sure you have funding for the activity.
- 2) Be sure to allow sufficient time to process transportation requests (at least two weeks in advance) and/or Field Trip requests to be submitted to the Board for approval. (see Board agenda deadlines).
- 3) All students participating in the activity must have a signed waiver returned to you prior to being allowed to attend the activity (forms are available on SharePoint) You should complete the information on the form as to the date, time, place and purpose of the trip and then run enough copies for all students. The signed form **MUST** be returned to you, and you will keep the forms with you during the trip in case of an emergency. Give the students enough time to take forms home for their parents to sign. Phone calls from parents are not acceptable. Permission must be in writing with parent signature.

- 4) A list of participating students MUST be given to the attendance office prior to the activity. This list must be typed in alphabetical order and signed by the teacher.
- 5) The ASB Advisor will maintain a sub 2.00 list of students restricted from school activities.

TRANSPORTATION - Transportation request forms must be completed for all transportation that is not regular school runs. Transportation for Classroom Instructional Field Trips will be ordered by the Principal and club activities will be ordered by the Activities Director, but the person requesting transportation must submit a transportation request form to the Principal or Activities Director at least 14 days in advance. Transportation request forms may be obtained in the Principal's Office. Field trips are encouraged but must be approved by the Principal and are limited to the hours between 9:00 a.m. and 2:00 p.m., Monday through Friday. Saturday trips do not fall under the weekly rule. All field trips are limited to 35 miles unless they are Board approved. Any sponsor requesting to take a field trip over 90 miles one way, over night or cost more than \$50 per student must prepare a Board Agenda Item form (D-147/152) at least one month in advance of the activity. This should be substantiated with reasons justifying the trip. Any trips when students are away overnight must also have Board approval and follow the procedure above. Short field trip requests must be turned in on the proper form to the Principal's office by no later than the Friday following the first Thursday of the month to be considered for the following month. If for some reason transportation that has been ordered is no longer needed, the transportation department should be notified as soon as possible so the transportation may be canceled.

STUDENT TRANSPORTATION

NO STUDENTS WILL BE TRANSPORTED IN PRIVATE OR NON-DISTRICT VEHICLES. ONLY DISTRICT VEHICLES MAY BE USED. (BOARD POLICY)

Equity Policy 0415 Philosophy, Goals, Objectives and Comprehensive Plans

EDUCATION CODE 200-262.4 Educational equity

The Board of Education believes that the diversity that exists among the district's community of students, staff, parents/guardians, and community members is integral to the district's vision, mission, and goals. Addressing the needs of the most marginalized learners requires recognition of the inherent value of diversity and acknowledgement that educational excellence requires a commitment to equity in the opportunities provided to students and the resulting outcomes. In order to eradicate institutional bias of any kind, including implicit or unintentional biases and prejudices that affect student achievement, and to eliminate disparities in educational outcomes for students from historically underserved and underrepresented populations, the district shall proactively identify class and cultural biases as well as practices, policies, and institutional barriers that negatively influence student learning, perpetuate achievement gaps, and impede equal access to opportunities for all students.

The Board shall make decisions with a deliberate awareness of impediments to learning faced by students of color and/or diverse cultural, linguistic, or socio-economic backgrounds, and include consideration for immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, childbirth, breastfeeding, pregnancy related medical condition, parental status, registered domestic partner status, political beliefs or affiliations, physical or mental status, disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. experienced in the context of a history of exclusion, discrimination, and segregation. Board decisions shall not rely on biased or stereotypical assumptions about any particular group of students.

The Board and the Superintendent or designee shall develop and implement policies and strategies to promote equity in district programs and activities, through measures such as the following:

1. Routinely assessing student needs based on data disaggregated by race, ethnicity, and socio-economic and cultural backgrounds in order to enable equity-focused policy, planning, and resource development decisions

Such resources include access to high-quality administrators, teachers, and other school personnel; funding; technology, equipment, textbooks, and other instructional materials; facilities; and community resources or partnerships.

3. Enabling and ensuring access to, enrollment in, participation in, and completion of curricular and extracurricular courses, advanced college preparation programs, and other student activities.
