Principal's Message

Welcome to Abraham Lincoln Elementary School. WE are the proud home of the "Lincoln Lions." The staff and school community, is a Positive Behavior and Interventions and Supports School (PBIS). Our motto is Practice Kindness, Act Responsibly, Work Hard, and Show Respect. Educators continue to learn and develop in their understanding and skills for Common Core State Standards in Reading Language Arts, Science, Social Studies and Mathematics instruction, curriculum and assessment. Lincoln staff supports positive culture and climate through Culturally Proficient approaches and has developed policies and practices for a healthy school environment. We support the academic and social emotional needs of our students through a variety of programs and services at each grade level. Our focus is on preparing our students as they progress toward being college and career ready. The school community views education as a top priority and encourages all members of the school community to participate in the education for the students. We take pride in our site appearance and the safety of our campus. Lincoln Elementary School is dedicated to the belief that all children learn at different rates and have different needs

Mission

The Mission of the Colton Joint Unified School District, a team of caring employees dedicated to the education of children, is to ensure each student learns the academic knowledge and skills necessary to thrive in college or in the workforce and be responsible, productive citizens by providing engaging, challenging, and enriching opportunities and specialized programs in a safe environment in partnership with students, families, and our diverse communities.

School Description

Abraham Lincoln Elementary School is located in the northwestern region of Colton and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2020-21 school year, 654 students were enrolled, including 11.3% in special education, 27.2% qualifying for English Language Learner support, and 92.4% qualifying for free or reduced price lunch.

Physical Fitness

In the spring of each year, Abraham Lincoln Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2020-21			
Grade Level Tested	Percentage of Students Meeting Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
Fifth	N/A	N/A	N/A

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in ELA and Mathematics - All Students						
	Percent of Students Meeting or Exceeding State Standards

	19-20	20-21	19-20	20-21	19-20	20-21
English-Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	49.0
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	33.8

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan

(LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in *Teacher Preparation and Placement*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by supporting their child's learning at home and at school. The Partnership Center for Social Organization of Schools (Epstein) recommends that parents set aside a time and area in their home for

homework to take place. Classroom teachers use planners in grades 4-6 and Class DoJo in grades K-6 to reinforce school-to-home and home-to-school communication. The school offers parent support classes in the areas of mathematics, reading, and technology to support ideas for helping students at home. Parents are invited to participate in English Language classes, English Language Advisory Committee, School Site Council, Parent Teacher Association, Helping Hands, school events support, field trip volunteer, and classroom supports.

Parents stay informed of upcoming events through flyers, yearly parent handbook, student handbook (grades 4-6), student folders (grades K-3), and the following electronic resources: ClassDoJo, Classroom and School Story, Q Communication 2.0 email text and phone messages, CJUSD web page, and Lincoln web page.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Abraham Lincoln Elementary School's original facilities were built in 1953; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following campus improvements were completed:

- Campus beautification projects
- Repairs throughout the site as needed

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and an evening crew are assigned to Abraham Lincoln Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Restroom cleaning
- Event setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Removal of trash
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Abraham Lincoln Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Abraham Lincoln Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, September 27, 2021. During fiscal year 2021-22, all restrooms were fully functional and available for student use at the time of the inspection.

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

County Williams Settlement School Inspection Results

On an annual basis, representatives from the County Office of Education visit Colton Joint Unified School District's schools that are in the API Decile Ranks 1 - 3. The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection completed by the county took place on

8/20/2021. Results of the inspection and corrective action taken by the district are provided in the table below.

School Facility Inspection Results		
County Inspection Completed: 8/20/2021		
Area Impacted	Deficiency Noted	Corrective Action Taken
Category: Restroom		
KA	Fixture/apparatus damaged, broken, missing or unsecured	Work order #62024
Category: Playgrounds/ School Grounds		
Playground	Seating and/or tables are broken, damaged or deteriorating	

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assistant principal, and noon aides are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The principal, assistant principal, and noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, and teachers monitor student behavior to ensure a safe and orderly departure.

Abraham Lincoln Elementary School is a closed campus. During school hours, all visitors must show identification, sign-in at the school's office and wear identification badges while on school grounds. If visitors wish to volunteer in the classroom, attend activities with their child, chaperone on field trips, they must complete the district volunteer packet. The volunteer packet requires a clear TB test, a background clearance, and a valid identification.

In order to protect our students, visitors and staff, all visitors entering the classroom will be required to show a valid government ID which will be scanned into our Raptor Identification Technology System. Visitors that are approved will wear a photo sticker name tag at all times while working with students.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Abraham Lincoln Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2021.

Classroom Environment

Discipline & Climate for Learning

Abraham Lincoln Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Note: Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Abraham Lincoln Elementary School revolve around the California State Content Standards and Frameworks. During the 2020-21 school year, Abraham Lincoln Elementary School held staff development training devoted to:

- Data Analysis and Collaboration
- Mathematics
- Distance Learning Platforms
- Virtual Teaching and Learning Resources

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Abraham Lincoln Elementary School supports ongoing professional growth throughout the year on student free workdays and collaboration days, and minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2019-20, 2020-21, and 2021-22 school years, Abraham Lincoln Elementary School's teachers had the opportunity to attend the following events hosted by the Colton Joint Unified School District:

2019-20 Training:

- LETRS Training
- Colton Cohort (Orenda Data Review Sessions)
- Equity Institute
- Instructional Leadership Teams (Focused on Strategies to Support English Learners)
- National Institute for School Leadership
- Next Generation Science Standards (NGSS) and Science Adoptions
- Student Services Summit (Focusing on Supporting Student Social and Emotional Health and Wellness)

2020-21 Training:

- Alludo (Online, Self-Paced PD for All Staff)
- CA Induction Program
- Colton Cohort (Orenda Data Review Sessions)
- Distance Learning Strategies (including Technology Tools)
- Equity
- Instructional Leadership Teams (Focused on Strategies to Support English Learners)
- Quality Teaching for English Learners (QTEL)

2021-22 Training:

- SBSS Standards for Math Practices
- Cognitive Coaching
- HSS Alive
- TEL
- Trauma Resource Institute
- Web Training

Abraham Lincoln Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Abraham Lincoln Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science). The TK materials are from the district's most recent local adoption as there is no state board adoption list for these materials.

On Thursday, September 16, 2021, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and

instructional materials have been provided to students. The Board of Education adopted Resolution No. 22-01 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2021-22 school year, Colton Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Abraham Lincoln Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Abraham Lincoln Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2020-21		
	No. of Staff	FTE
Academic Counselor	0	0
Counselor	1	1.0
Health Assistant	1	0.6
Library Media Technician	1	0.8
Nurse	1	0.2
Psychologist	1	0.5
Speech Aide	1	1.0
Speech Therapist	1	1.0

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Preparation and Placement

The charts below identify the number of teachers at Abraham Lincoln Elementary School, Colton Joint Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Abraham Lincoln Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Teacher Preparation and Placement Authorization / Assignment (2019-20)	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Abraham Lincoln Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Colton Joint Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in December 2021.
